

A studio photograph of two men against a plain grey background. The man on the left has short brown hair and a beard, wearing a white t-shirt and dark trousers. He has his arms crossed and is leaning his head on the shoulder of the man on the right. The man on the right has curly brown hair and a beard, wearing a black turtleneck, a black blazer, and dark trousers. He has his left hand in his pocket. The text 'FLY BY MIDNIGHT' is overlaid in the center in a bold, italicized, white font.

FLY BY MIDNIGHT

ABOUT

LA based indie-pop duo Fly By Midnight is comprised of songwriter Justin Bryte and producer/songwriter Slavo. Following sold out album shows in NYC/LA and performances at Firefly & Panorama festival, the duo has continued to generate strong independent buzz by releasing captivating original pop anthems. With over 300,000 subscribers on their YouTube channel, Fly By Midnight's consistently strong releases & unique visuals have been praised by tastemakers such as Billboard, BuzzFeed, NYLON, Huffington Post, MTV, Ones To Watch, and have been placed on numerous Spotify playlists (Chill Hits, NMF & more).
