

KAT CUNNING

about

With a traffic stopping voice, **Kat Cunning** epitomizes the multi-hyphenate. A Greek American, Queer and Non-binary recording artist, songwriter, actor and recent LA transplant, their NY-based career spans Broadway, TV and Film, (including recent appearances alongside **JLo** in '**Marry Me**,' **Issa Rae's 'Rap Shit'** and the groundbreaking streamer '**Purple Hearts**' on Netflix). They got their start in circus, (**Cirque Du Soleil**), underground NY sideshow/immersive theater (**Sleep No More**), and concert dance, most recently having written and hosted their own queer cabaret in **Baz Luhrman's** theater at the **Faena Hotel** in Miami where they survived the pandemic with their cat.

Kat made their musical debut with fan favorite singles such as "**King of Shadow**," "**Birds**", and "**For The Love**," receiving praise from **Nylon**, **Teen Vogue**, and **The New York Times**. They have toured with artists such as **LP** and **Verite** on sold-out tours and are currently working on their debut independent EP, **GLASS JAW** slated for release in 2024.

"Their sultry, celebratory anthems epitomize what they stand for as an artist: inclusivity, individuality and connection. In a digital age dominated by throwaway tunes, it's music with a message and the singer's not shy about causing a stir."

testimonials

“Watching Kat Cunning perform is like looking into a crystal ball and seeing the future. Their voice has a haunting echo of the past, but they are creating a new boundary-breaking path into uncharted territory in music and in LGBTQ+ culture. With lyrics that resonate deeply with the enlightened, globally connected youth of today, and a ‘screw you if you try to label me’ aesthetic, Kat refuses to let anyone build boxes around their art or their person. On a concert stage or a nightlife stage they are charismatic, magnetic, inclusive, and electrifying. They are the revolution. Hot Rabbit loves Kat Cunning!”

- Emily Maresca, Hot Rabbit LGBTQ+ Events

"Kat Cunning is one of the best artists to work with. They performed in our 2022 livestream series on Twitch and at our 2023 music festival at West Hollywood Pride. Additionally, Kat also participated in a promotional IG Live interview where they shared their life experience and many words of encouragement for LGBTQIA+ people. Kat consistently shows up authentically and passionately. We are always impressed by Kat's loyal fanbase. We also appreciate Kat's willingness and enthusiasm to cross-promote their participation in our programming and look forward to working with them in the future!"

- Ricardo Senastián, Executive Director of OUTLOUD

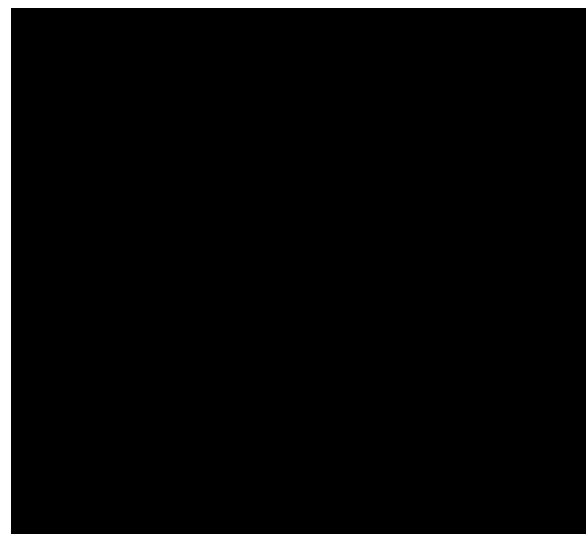

“Kat Cunning is the complete package. Rock star stage presence, their unique and versatile voice plus fierce and witty charm as emcee leave nothing to be desired. During Kat’s time as the host and singer for Tryst Cabaret at the Faena Theater, they left audiences thrilled and begging for more every performance. Kat is a pleasure to work with, very open-minded and full of creative ideas that truly elevated Tryst to soaring new heights not possible without their intense passion for what is possible on the stage. And please don’t forget: Kat is my Dad!”

- Shane Borth Violinist / Composer / Music Director

"Kat Cunning is an absolute DREAM performer, artist, and friend! An alumni of OUTLOUD's West Hollywood Pride festival and Spotlight streaming series on Twitch, it has always been an absolute pleasure working with Kat, an artist who brings their A game on stage and off, treats our staff with kindness and respect, and delivers performances that wow audiences and get them dancing and smiling every time."
