# About

Kylie Sonique Love is an iconic singer, actress, model, showgirl and **Rupaul's Drag Race All Stars 6 Winner**. Love was the **first** transgender person to ever come out on any reality TV show and was the first trans person to win RuPaul's drag race in America.

Kylie has spent the last two decades performing as a showgirl and has toured internationally since 2019. Kylie started her music career December 2018 with her first single "Santa Please Come Home" under the "Sonique" and has since released over 10 singles solo and features under the name Kylie Sonique Love. Love is **Miley Cyrus' drag mother** and has performed with her on the **2015 VMA's, Stand By You Pride Special, and Resorts World Las Vegas July 4th Show**. Love has been featured on several TV shows such as **The Mentalist, Bones, Glee, LA Hair** and many others.

She has also been in such films as "The B\*tch Who Stole Christmas", "Me Him Her " and her most recent film, "Dope Queens". This Albany, Georgia native has proven that anything is possible no matter who you are and where you're from as long as you believe in yourself and never give up.
