

*Madison
Rose*

ABOUT

From her **Billboard** featured debut single 'DIAMONDS' , Madison Rose, was destined for a rise to pop greatness. Followed by DJ collaborations that led her to **charting** on Billboard (Keeping Secrets, #29, Dance/Mix Show) and working with the likes of Anna Lunoe, and having cuts released on **Thrive, Insomniac** and Martin Garrix's **STMPD Records**. After tapping into **virality on Tik Tok** with her follow up single, "rainbow phone." she set out for her biggest task yet: the **release of her debut album, TECHNICOLOR.**

Since release, TECHNICOLOR and it's deluxe has racked up over **10 million+ streams across platforms**, multiple features and covers on major **Spotify and Apple editorial playlists**, and write ups in **Paper Magazine, MTV and Rolling Stone**. She has hit continuous viral moments with stand out tracks ICONIC!, Better Off Alone, Sunshine and Thunder.

2023 is proving to be a pivotal year for Madison, **opening for AQUA** on their New York stop of their US Tour, **headlining** Boston, Pittsburgh, Tacoma and Akron Pride and being chosen to re-record "True Colors" for **Spotify Singles Cyndi Lauper tribute**. Madison was **nominated for "Breakout Musical Artist"** at the Queerty Awards and was named an **"Emerging Artist to Watch"** by **People Magazine**.

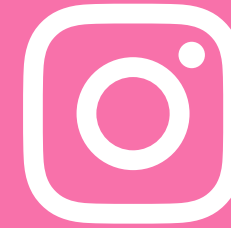

Madison Rose continues to set the pop world ablaze, gaining organic fan support, and also industry looks such as being requested for performances by **Amazon Music and Soundcloud**. She has her eyes set on her highly anticipated second album - out 2024, with lead single debuting late 2023.

PRESS

"Rose leans fully into presenting herself as a stadium-ready pop star...The natural-born performer could be in front of two people or 20,000, and she'd still put on the same show."

- **RollingStone**
"SONGS YOU NEED TO KNOW"

"For a lesson in pop perfection, look no further than Madison Rose's debut album TECHNICALCOLOR"

- **PAPER**[®]

"Madison Rose is arguably one of the hardest-working rising pop stars in the game, performing nearly every night at different parties and venues — and loving it."
