

NOAH DAVIS

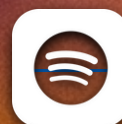

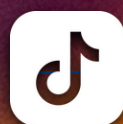

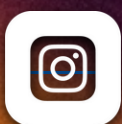

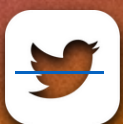

OFFICIAL PRESS KIT FFO: Ariana Grande, Justin Bieber, Lizzo

Noah Davis is a 23 year old Arkansas native who traded in the backwoods for Hollywood. With his soaring voice, captivating melodies, and intelligent lyricism, there's no doubt Noah will work his way to the top of the pop music game. His ability to captivate an audience with his music and aura is second to none! That being said, it's no surprise that in just 2 years, Noah has amassed over 1 million followers on social media and over 50 million streams across Spotify and Apple Music.

Noah first discovered his passion for music singing in church where his father was the music minister. While growing up closeted in the conservative south can take a toll on someone's spirit, Noah found solace in his own voice. "People from where I'm from don't crave greatness so neither did I" Noah says, but After a remarkable run on ABC's American Idol in 2018 where his audition drew in over 50 million views online, he decided being a pop star maybe wasn't so out of reach. Since he began releasing music in 2020, Noah has released his debut album "F-k Flowers" which charted at #3 on iTunes Pop Albums. His follow up EP "Nursery Crimes" also placed in the Top 20 on iTunes Pop Chart. His singles have also been featured on numerous editorial playlists. Most notably, on Spotify's Viral 50 Playlist in the Philippines, Make Out Jams, Teen Beats, Out Now, and New Pop Picks.

Not to mention all of Noah's accomplishments thus far have been achieved independently with no label. He undoubtedly possesses the talent and skill set to be a staple in the entertainment industry. Noah is repping a new generation of pop stars breaking the mold and the rules. Nothing is off limits. "I'm telling MY stories on MY terms for ME" - Noah Davis
