MULTI-PLATINUM ARTIST • SONGWRITER • PRODUCER

# ABOUT

**VASSY**, a multi-platinum award-winning artist, is widely regarded as one of the most authentic female voices in dance music.

With a discography that boasts of numerous global chart-topping #1 hits, VASSY recently made history by becoming the first woman to win the **EDMA ICON Award**, a testament to her trailblazing career. Her latest single, **"Pieces,"** hit #1 on the US Dance Radio Charts, adding yet another feather to her illustrious cap.

Known for her gift of writing unforgettable hooks and her knack for storytelling, VASSY has a strong sense of making her music accessible to a global audience.

Her unique voice is best exemplified in her 14x certified platinum record for her **David Guetta**-collaboration **"Bad"** and a 9x platinum song for her **Tiësto**-collaboration **"Secrets"**, which earned her multiple #1s in over 30 countries and over 2 billion streams.

Hailing from a small town in Australia, VASSY's first formative music memory was being kicked out of her primary school's choir at seven years-old, an experience that kick started her passion for music and ingrained into her an important message she lives by to this day: every rejection is simply a redirection.

Soon enough, she became a staple in the dance music scene and was crowned as the queen of EDM, further proving one thing: even through the bevy of experiences and setbacks that came with moving countries and navigating a male-dominated space, VASSY still came out on top, transforming every missed opportunity into a space for personal and creative growth.

VASSY's music has been featured in Oscar winning films such as **Disney's Frozen** to hit TV shows such as ABC's "Grey's Anatomy" and global television campaigns for renowned brands like **Hilton, Victoria's Secret, ESPN,** and **Nike**, among others.

In addition to her musical prowess, VASSY is a staunch advocate and allie for the LGBTIQA+ community and charitable organizations like "Playground of Dreams," "Carers Australia," "Best Buddies," and "NoH8," among others. Her music has helped raise awareness for these noble causes and has solidified her as an artist with a heart for the community.

With eight #1 Billboard singles and seventeen platinum certifications, VASSY's anthemic lyrics and signature sound have established her as one of the most prominent female artists in dance music history.
