“People tell me I have have created so many memories for them as far as coming out as gay to friends , family and the community and feeling free because of it.”

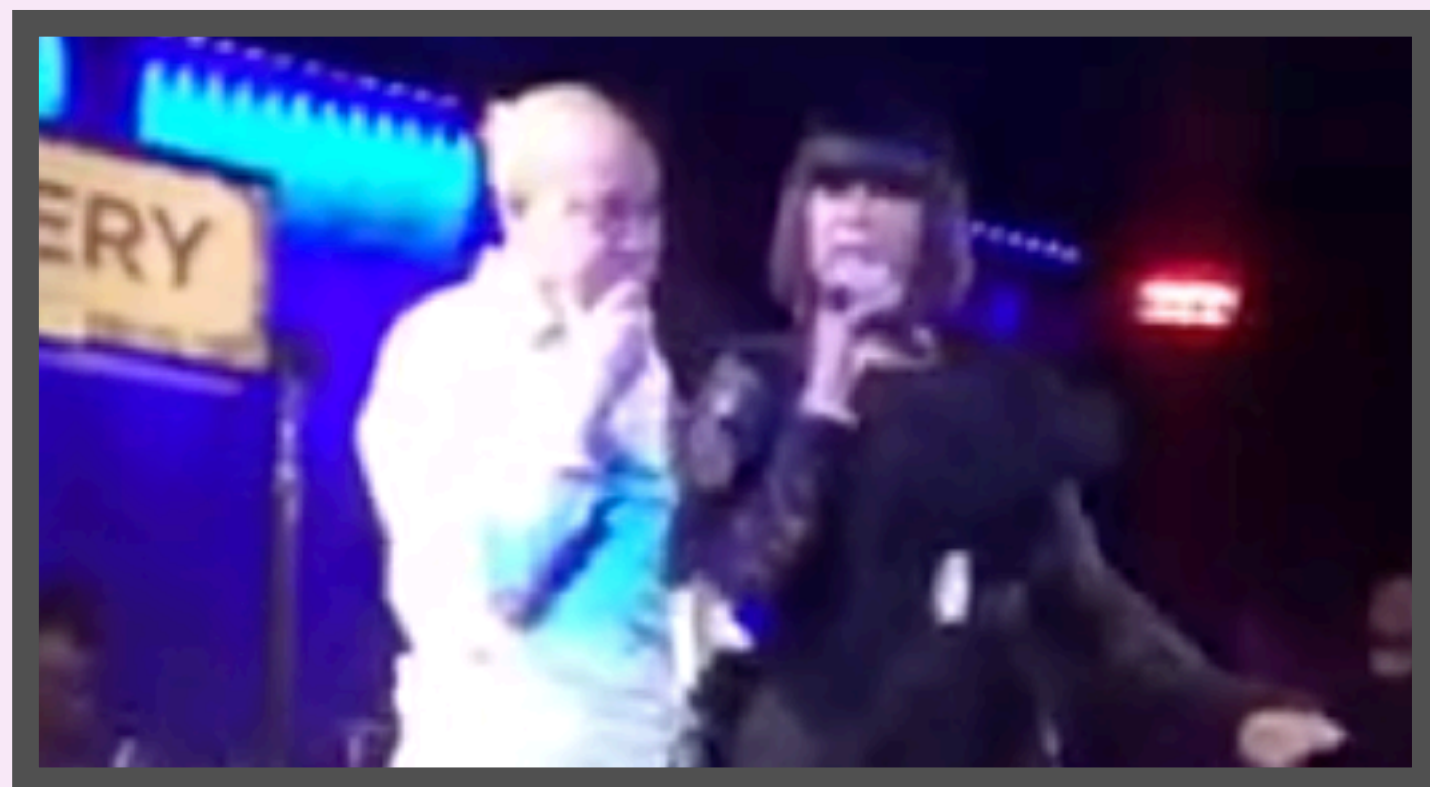

“Thankful to god for a career of 30 years and to have a body of work the people wanna hear over and over again is a blessing.”

“To be a part of just an overall era that felt good musically and support with lgbt movement and R&B crowds all over the world has been so #epic.”
