

# PARTIS

# ABOUT

Since the initial release of "White Noise" in November 2014, PVRIS have been taking the world by storm. The debut album from the band has sold over 175,000 copies world wide and is certified silver in the UK. They've graced the covers of multiple publications, have appeared on late night national TV (Jimmy Kimmel Live) and have been playing sold out shows around the globe for the past year. The band has supported Fall Out Boy on their 2016 US arena tour, performed at Lollapalooza, Firefly, and Bunbury festivals.
